STRATEGOS

A close-up, low-angle shot of a soccer ball. The ball features white hexagonal panels with a textured, dimpled surface. These are interspersed with black panels that have bold, jagged yellow and red stripes. The lighting is dramatic, highlighting the textures and colors of the ball against a blurred background of stadium seating.

achievement

A person in a dark coat is walking up a wide, empty staircase. The person is seen from behind, carrying a red folder or bag. The staircase is made of light-colored stone or concrete steps, and the walls on either side are also made of similar material, creating a repetitive pattern of horizontal lines. The lighting is soft and even, highlighting the texture of the stone.
